

## SYNCOPE & RELATED DISORDERS INTERNATIONAL TRAINING DAYS

### FALLS AND SYNCOPE UNIT, ST JAMES'S HOSPITAL, DUBLIN

13<sup>TH</sup> & 14<sup>TH</sup> SEPTEMBER 2018

This two-day international training event is led by national and international experts in syncope and related disorders. The prominent speakers and sessions have been chosen to reduce gaps in training and to address areas of increasing concern for healthcare practitioners, including: diagnostic tools and risk assessment for syncope and related disorders, atrial fibrillation and other arrhythmias, epilepsy/SUDEP, dizziness and vestibular assessment, movement disorders and more. Through clinical cases and a practical demonstration within the Falls and Syncope Unit at St James's Hospital, participants will learn best practices in diagnoses and management of syncope and related disorders.

### COURSE DIRECTORS

Professor Rose Anne Kenny, Clinical Director, Falls and Syncope Unit, St James's Hospital  
Dr Conal Cunningham, Clinical Director, Medicine for the Elderly, St James's Hospital
